

LIMITED WARRANTY

Pioneer Industries warrants all door and frame products sold hereunder (except those expressly excluded from this warranty), to be of good material and workmanship, and to be free of defects which would render said products unserviceable or unfit for their ordinary recommended use, for a period one year from the date of shipment.

This warranty extends only to the first purchaser of the above products. The following are excluded from this warranty:

1. Unsatisfactory service or appearance caused by failure to follow recommended storage, handling, finishing and installation instructions.
2. The appearance of finished door and frame products.

If warranted doors and frames are found to contain defects, Pioneer may, at its option, either, repair the product without charge or replace the item without charge in the same stage of fitting and/or finishing as was originally supplied, or refund the price paid to it. Pioneer will perform, or agree to perform, its obligation under the warranty within 30 days after an appropriate notice is given by the purchaser to it. The procedure which the purchaser should follow in order to obtain performance of any warranty obligations is as follows:

1. If, at the time a shipment is received, said products are found to have a defect which can be reasonably discovered by inspection of each product, the purchaser must, prior to hanging or fitting, and within 30 days, send written notice of these defects to Pioneer Industries.
2. If a defect is discovered or occurs after a door is fitted and hung, written notice of such defects must be sent to Pioneer Industries within one year from the date of shipment.

Pioneer will not be liable for any doors repaired or replaced without prior written consent.

Pioneer Industries' sole responsibility under this warranty is as stated herein and it shall not be liable for consequential, indirect, or incidental damages, or for any amount in excess of the price for shipment involved, no matter the type of claim asserted, whether it be for breach of contract, breach of warranty or negligence, or any other claim whatsoever.

This warranty is in lieu of any other warranty expressed or implied.
